Show your support and join your PTA now!

The number one reason to join the Parent Teacher Association (PTA) is to benefit YOUR child. Benefits of PTA Membership affect each child in the classroom, the individual member and the school community. The PTA is a partnership between parents and teachers, facilitating working together to enhance our children's education. By joining PTA, you are joining a partnership. Your membership AND donation is what supports the robust programming PTA provides for students, teachers, staff and parents. There is power in membership numbers with PTA, so AB students, parents, teachers, family members and friends are encouraged to join.

*** PTA Sponsorship Opportunity ***

Music! Science! Art! Library! ...and more!

Many schools are currently cutting back (or have already eliminated) these enrichment programs. Our students will never be this young again, and the elementary years are crucial to building a love of learning. Children learn and thrive in an educational environment that offers diverse enrichment experiences, and educators who feel supported and love what they do. District funding of enrichment program supplies and coordination is limited, but we know that these programs combine to create happy, healthy kids and a thriving community. At Adobe Bluffs, these programs are possible due to generous parent donations of time, talent and treasure.

Donating to the PTA at a Sponsorship Level offers you a unique opportunity to make an even more impactful difference. Your sponsorship donation will enrich the educational experience for each child at Adobe Bluffs.

<i>Sponsorship Levels</i>		<i>Impact!</i> <i>A gift at this level can fund:</i>
<i>Platinum</i>	<i>\$1000.00</i>	<i>Two months of music classes for 250 students, or One month of science experiments for each ABES student.</i>
<i>Gold</i>	<i>\$750.00</i>	<i>One year's worth of Arts Attack supplies for an entire grade, or Multiple Science Day guest presenters and activities.</i>
<i>Silver</i>	<i>\$500.00</i>	<i>Visits to our school from award-winning children's authors, or, Literacy and literary supplies for our Library and classrooms.</i>
<i>Bronze</i>	<i>\$400.00</i>	<i>Supplemental physical education equipment to benefit all ages, or Fun "family participation" programs (i.e Drawing and Math Night)</i>

Sponsor at the level you are most comfortable with (Bronze, Silver, Gold or Platinum) and you will be recognized in our weekly newsletters, as well as on a certificate hanging in the Adobe Bluffs office. For your convenience, you have the option to make smaller multiple donations over the course of the year working towards one of these sponsorship levels.
