Have YOU Supported AB PTA? It's Not Too Late!

Thank you to the 95 families, out of about 275, who have shown support by joining and/or giving to the PTA so far this year! It is greatly appreciated and all of our children will benefit. **If you haven't already done so please support your PTA today!** We are at 148 memberships with a goal of 300. As seen on the other side, your PTA provides so much for the school and we cannot do it without YOUR support. If we do not meet our goals, we CANNOT FUND these programs.

If you need more reasons to support your PTA, and have a little laugh...

TOP TEN REASONS to JOIN & GIVE to AB PTA

- 10) The cost of a membership and a donation is WAY cheaper than preschool tuition!
- 9) Our PTA President, Janice Lutz, is backed by a feisty executive board. And, we will hunt down each and every one of you who do not join!
- 8) This is where your dear child will be spending (or has spent) several years, and it's actually kind of fun to be a supportive part of the village raising these children.
- 7) Our post PTA meeting "meetings" at Karl Strauss is where the REAL work happens.
- 6) We wouldn't be doing what we do if it wasn't for the "T" PTA. Our teachers understand the impact of PTA which is why even ALL of our teachers become members.
- 5) There's something for everybody. And if your something is not wanting to go to meetings or volunteer? That's totally cool... Your membership and donation will serve JUST FINE!
- 4) "Plays well with others." Seriously, we take that kindergarten rule to heart. Ours is no average PTA. It is truly a fun bunch of parents who enjoy spending time together and have no time for any drama. The more the merrier!
- 3) You didn't like how that one program was run last year? Guess what... you can run it this year!
- 2) Did you hear what Mr. Park said at the first Coffee with the Principal? "I'm a hustler... Straight Outta Compton." (He literally IS from Compton). Don't take any chances, just join and give, NOW!
- 1) **At night when you go to sleep, and in the morning when you wake up, you will know in your heart that whatever problems afflict this world you are making a difference at your school and in our kids' lives. YOU are the reason Adobe Bluffs will always be a small school, with a big heart... and endless possibilities!**
